Ten years ago a young Brother just out from New York approached the principal, Brother Penny, with a rather novel idea—that, after a lapse of some five years, a yearbook once again be published by Vancouver College.

In this, the tenth edition of the Collegian, we are using a somewhat different mode of identification for each section; that of student participation in the different phases of school life.

The first division, titled WE LEARN, covers the class groups and the extensive curriculum offered at V.C. Here, in contrast to the practice of former years, the teacher is identified with his class and courses.

Clubs, organizations and other extra-curricular activities that occupy the students' free time are found under the heading, WE DO.

In chronological order all the aspects of participation in sports are presented in WE PLAY.

In addition to picturing the Grade Twelve class, WE GRADUATE gives the reader a look at what occupies the seniors during some of their free moments.

WE PREPARE covers the eight years preparation required for High School entrance. Grade Eight Graduates introduce this section, followed by the balance of lower grades and their activities.

We must not fail to mention OUR FRIENDS—our Alumni, Mothers' Club and Advertisers who have given us invaluable help.

DEDICATION

SIX GREAT YEARS! As a tribute to Brother Bates' term of office, we, the thirty-fourth graduating class of Vancouver College, respectfully dedicate the 1960 Collegian to him. We do not feel that we can cover adequately his accomplishments in the short paragraph of a Dedication, nor can we fully convey our feelings of gratitude and admiration. Throughout the book will be found references to his work among us students. We cannot begin to indicate his impact on the Catholic life of the city of Vancouver through his numerous speaking engagements and his work as a founder of the Catholic Teachers' Association. While acknowledging his contribution to campus expansion—notably the building of Mackin Hall and the reconstruction of the playing field—we do not wish to underestimate his more intangible accomplishments directed to the development of character. These things will be symbolized as you turn the pages of the book.

Encouraged by the Hierarchy

His Excellency, Most Reverend
MARTIN JOHNSON
Co-adjutor Archbishop of Vancouver

His Excellency, Most Reverend
WILLIAM MARK DUKE
Archbishop of Vancouver

Archbishop Johnson is pictured below, flanked by Brother Bates and Mr. Mackin, during the blessing of Mackin Hall in 1957. This symbolizes the encouragement and aid given to Brother Bates by the hierarchy.

Archbishop Duke, whose enthusiasm is illustrated below while exhorting the captains previous to the annual game for the Archbishops' Trophy, reaches the same peak in all he does for Vancouver College.

Supported by the Clergy

The College is grateful to all the priests who so willingly associate themselves with us in spiritual activities. Foremost, we thank Msgr. Nichol and Fr. Swinkels, the school chaplains, who are always on call for those priestly services that add so much to the spiritual life of the school.

The school confessors, Father J. Swinkels, Father P. Golio, and Father W. Kilty, chat after a long morning in the school confessionals. Father J. Steele also aids the school chaplains who had to be assisted because of the rapid growth of the school.

Symbolic of the spiritual life of College is the singing of the Gregorian Chant by the students every First Friday.

Msgr. Nichol and Father Swinkels of Sts. Peter and Paul Parish willingly give their time to the College students—hearing the boarders' confessions, celebrating First Friday mass or giving the occasional religion class in the school.

Father McNerny, Father J. C. Kilty, Father W. J. Kilty, Father H. I. Boder and Father C. Paris receive "instructions" from Brother Botes during the 1960 Vocation Week. Ten diocesan priests gave up an afternoon to co-operate in this fine work.

. . . . And The Faculty

Mrs. M. Fry, the school secretary, at a typical job — checking absentees.

Brother Bates during his term, has been very fortunate with the calibre of his faculty and on this page we wish to express our recognition and gratitude to them. The present staff is acknowledged elsewhere but we would like to make further acknowledgement of those who have assisted Brother Bates in his administrative duties but are no longer present at the school:

Brother J. C. Hunt
Brother H. Heaphy
Brother M. G. Reilly
Brother E. M. McEnroe
Brother E. E. St. Martin
Brother J. A. Brosnan
Brother E. H. Hickey
Brother E. L. Cobb

Brother Bates and the senior members of the High School Faculty, Brother Walsh, Brother McManus, Brother Breen, Brother Borne, and Brother Lyons, in conference in the library.

SIX GREAT YEARS

Brother Bates returns John Cooke's mid-term French exam with several satisfactory remarks.

Because Brother Bates' time in the classroom was limited by his role as a principal, his greatest lesson to us was often taught outside the class through example and advice by which he taught us to be proud of our Catholic beliefs and work hard for them. An active Christian spirit permeated the College as witnessed by the phenomenal growth of the religious societies in the school and the evident devotion at the First Friday Mass.

The student body shares in First Friday Mass.

WE

LEARN . . .

In order to attain a full education we must center our school days on the lessons **WE LEARN** in class. In Vancouver College the student elects to do either General Program or University Program. To graduate on either of these programs the student must have three major subjects. Before viewing the following pictorial presentation of the courses we will explain the requirements for a major in each subject. Latin and French and Mathematics require four years study for a major whereas English needs an extra course in the senior year. A history major in the last year allows an option of economics, history or law. A science major requires chemistry and physics and a commerce major ends up with two years of bookkeeping. So with the courses offered at Vancouver College the graduate is well prepared to enter any field he wishes.

RELIGION . . .

During his high school years at Vancouver College the student puts in an intensive four years of study on the various aspects of his religion using the series of books written by the Christian Brothers, "Living With Christ."

The Grade Nine student studies the prayers which he has been saying all his life and learns their full meaning. He is taught more about the Sacrifice of the Mass which enables him to have a better understanding of the greatest means of practicing his religion. For the last few months he studies the three Cardinal Virtues which play an important role in his life.

For the first half of the year, the Grade Ten student studies the Seven Sacraments which Christ instituted during his lifetime. He explores their mean-

ing and how to use them in order to get the most out of them. The last half of the year is concerned with the laws of God, the Ten Commandments.

The third year of high school religion is taken up with the study of the New Testament. He first familiarizes himself with enough of the Old Testament to give him the background necessary for this study. Next he studies Christ from His infancy until His death on the Cross with particular emphasis on His parables and miracles.

In his final year the student learns the fundamentals of apologetics with the purpose in mind of solidifying his faith with the shield of reason. In the second stage of his learning in this year he plunges into the study of the history of the Church since the time of Christ. For the last part of the year the student learns how to apply morals and ethics to his future.

GRADE 12 . . .

Lee and his kitchen staff wait for the lunch bell to serve the noon meal to boarders and day students.

SIX GREAT YEARS

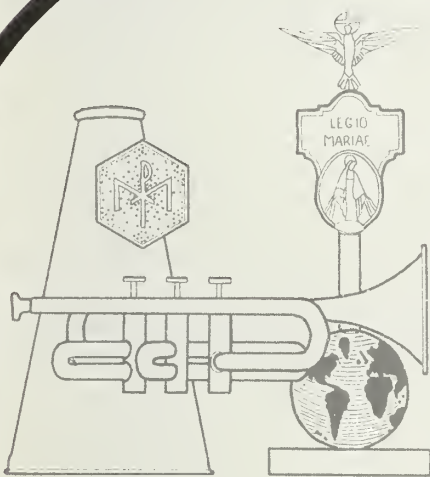

Eckhardt Ferdinandi, President of the Monogram Club, and Brather Bates discuss the problems of the Monogram Club.

During the last six years there was no more avid supporter of College activities than Brother Bates. There were really big events during those years—the Gilbert and Sullivan shows, the Vocation Exhibit, three-act plays and great sporting events, all of which depended very largely on his support and encouragement. However, the ordinary day to day activities likewise receive his whole hearted assistance and he is ever ready to confer with the student leaders whenever help is needed.

Brather Bates with several prominent supporters discuss the merits of a decision at the 1960 Emerald Glaves.

WE

DO . . .

The things **WE DO** in after-school hours contribute a great deal to what we acquire from our years at school. Like other phases of education at Vancouver College, a full range of extra-curricular activities provides a training ground for leadership and group co-operation. From this wide choice of spiritual, social and musical activities each student can find one that suits his interest. In this way our education is broadened and we learn the true meaning of fellowship which will enable us to take an active part in the social and religious obligations of this modern world.

SPRING CONCERT

St. Peter and Paul's Parish sponsored a St. Patrick's Eve Concert with the participation of the Glee Clubs of Vancouver College, Little Flower Academy, and Sacred Heart Convent. The main attractions were concert versions of *My Fair Lady* and *Finian's Rainbow*, produced by a group of professional singers. Another feature of this enjoyable evening was the Irish dancing of students of Erin O'Daly Academy.

YEARBOOK

Algis Baronas, the school photographer, is explaining lens speed to Joseph Bauche and Frank Hanano, the dorkroom staff.

The first important meeting of the yearbook staff took place in the beginning of this 59-60 school year. There had been a few preliminary meetings in June, the previous year, when it was announced that Jim Dumont was to be the editor-in-chief, but it was not until September that the staff was settled upon. These meetings were followed by the ad campaign.

Little could be done in the way of layout before a budget was worked out; it was late November before all the returns from the ad campaign were in. After a satisfactory campaign, the editorial staff met with the moderator, Brother Bassett and advisor, Brother Lyons, and editors were assigned to the different sections.

The moderator, Br. Bossett, the odvisor, Br. Lyons, and the editor, Jim Dumont, critizing a division page designed by Michael Gront.

The yeorbook stoff hard at work during their 2:30 p.m. period.

YEARBOOK (cont.)

It was after Christmas before any formal layouts were made. This part of the work was more difficult than in former years due to a style which called for a chronological order. Mixing football with volleyball and the other intramural sports proved more of a task than first imagined.

The next sections which went to the printer were the classes and activities. Before the deadlines for these came up, the familiar phrase, "Al, will you take a picture for me?" was heard nearly every day.

Next, the ad section was assembled. Mats, cuts and pictures had to be obtained from various advertising agencies. Interspersed with the copy in this part are several sponsored pages, generously donated. The advertising staff spent many hours working on these pages.

The Graduates section has a somewhat different arrangement. To show more of the seniors in action, their portraits were lined up giving more room to picture them in an informal manner.

Well, somehow all the work was finished. Just what has been done since that first meeting last June can be seen on the pages of this book.

Br. Barnes directs the Glee Club with Tim LeGoff accompaning.

DEBATING CLUB

This activities group started off as a Drama Club. To this end, two modern plays 'The Caine Mutiny Court Martial' and 'The Male Animal' were read but both had to be abandoned for want of individuals who could play the central roles.

The Christmas examinations and holidays precluded any further attempt to rehearse the play. So the group adroitly swung over to debate. This was very successful as the group was found to abound in disputationary debaters and ambitious orators.

So far problems of 'World Over Population' and 'Capital Punishment' have been solved. A later project was a panel of experts who volunteered to answer all questions on subjects ranging from Jazz to Ichthyology.

A debating club panel answers questions put before them by the rest of the members.

SIX GREAT YEARS

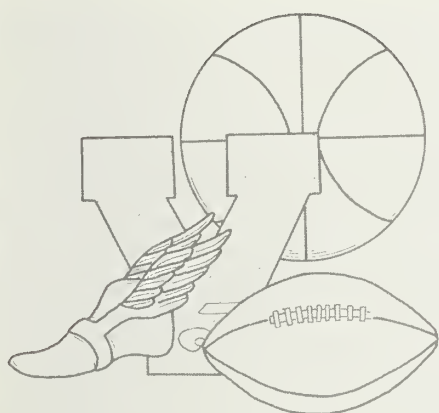

Archbishop Duke and Br. Bates team up for the opening kick-off at the '59 Notre Dame game.

During Brother Bates' time in Vancouver the College athletic record has been one to be proud of. In 1954 we participated in the first "live" football T.V. broadcast locally. By 1957 we had built quite a respectable squad, including a junior named Roy Cameron, which compiled a seven win one loss record. Going in for tougher competition in 1958 we managed one loss and one tie for six wins. In basketball, V.C. has been in the B.C. Tournament each year gaining two first places, two thirds, one fifth and one seventh. It hasn't been dull, these last six years!

Br. Bates is applauded for a few choice words at the '56 football dinner.

WE

PLAY . . .

True to the tradition of Vancouver College when the time comes to play, **WE PLAY** to the best of our ability. As the months roll by, each sport in turn claims our attention and different groups of athletes try out for teams, practice long hours and proudly carry the purple and gold into the battlefield. Our aim to be Christian gentlemen is never sacrificed for victory. Though everyone cannot make a varsity team yet anyone interested can find a niche for himself somewhere in athletics. In the varied program of athletic activities at the College the common factors are determination and good sportsmanship.

Football Squad Banished from Campus While Grasses Grow

SEPTEMBER 1959 found the returning students confronted by a startling change in the old campus—a concrete-hard mass on dry days and a mud-hole on wet ones. A whole new system of rock tile drains had been installed. These had been topped with Lulu Island peat moss and the field had been seeded with a special grass. About an acre of black top was laid at the back end of the gym and along the side, providing three basketball courts and a couple of volley ball courts plus much parking space.

OCTOBER brought the start of the football season. The Irish, showing a strong tint of real green, started slowly against possibly the toughest competition ever faced by a V.C. team. They lost their first five games, but in each case gave their best, regardless of the final score. Unfortunately, serious injuries to two first-stringers, Mike Beaton, team captain and full-back, and to quarterback Larry O'Connor put these out for the balance of the season. As a result, the offence never got rolling, at least in the early part of the season.

First string backs: quarterback, Garry Durkin, right halfback, Ed McDonald, fullback, Bab Biagioni and left halfback, Greg Findlay.

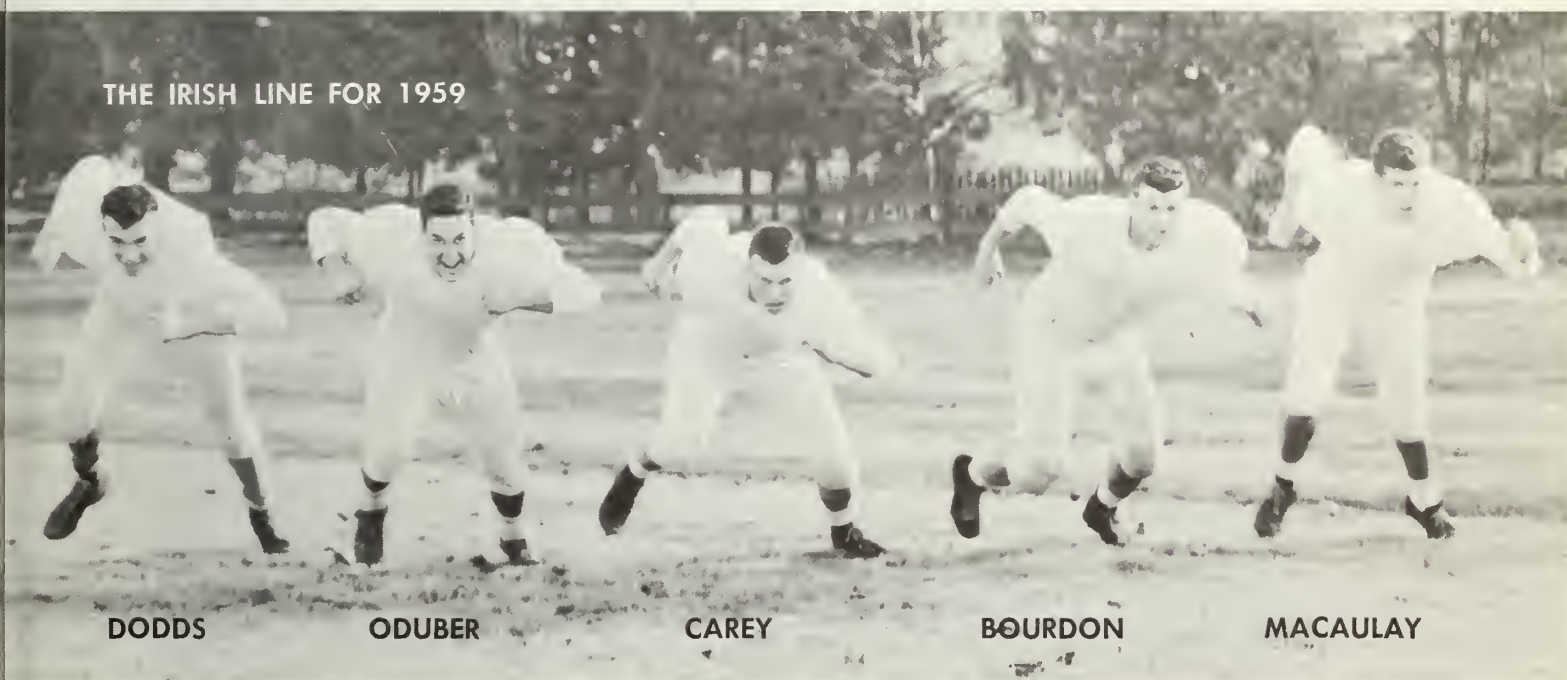

Outstanding men an defense Jim Ryan, Bill Heffernan.

The new playing field, outdoor volleyball court and outdoor basketball court brought real enjoyment to the returning students.

Valiant Squad Shows Steady Improvement as Year Progresses

NOVEMBER brought with it a change for the good in College football fortunes. Playing the up-to-then undefeated U.B.C. Junior Varsity, the Fighting Irish ground out a tough 23-20 victory. This game was characterized by fine play all around and some fine runs by Ed McDonald. Encouraged by this first victory, the Irish went on to play the plucky Notre Dame Jugglers, their traditional rivals. They defeated them quite easily by a 27-6 score, winning for the third time in a row the Archbishops' trophy for this annual inter-Catholic high school game.

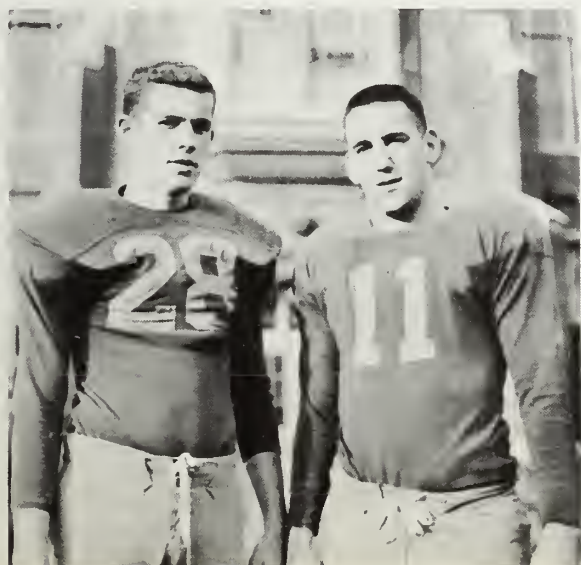

Voted the most outstanding player on this year's team was left halfback, Greg Findley. For 61 carries Greg had an excellent average carry of 6.6 yards per carry. Another outstanding player was right half, Ed McDonald. Ed also carried the ball 61 times, averaging 7.1 yards per carry.

Although this year's Fighting Irish didn't have a sensational season, they gained a wealth of experience, and they should be a contender in anyone's books next year.

JayVees Show What's in Store

The J.V. team got off to a fine start by beating St. Thomas Aquinas 12-0. After that they ran into trouble. Of their next four games against Notre Dame, Kitsilano, and Everett, they salvaged but one win against Notre Dame. Then the tide turned. The J.V.'s won their next three straight but dropped a heartbreaker to St. Thomas Aquinas by one point to finish the season.

Assistant Coach Doug Reid speaks at the post-season football bonquet.

Hopes For '59-'60 Ride On College Squads

JANUARY started out well for the Varsity Basketball Team with three wins the first weekend followed by a fourth the following weekend against Port Moody. Successive losses to Abbotsford and Lynden Christian showed what happens when the team becomes over confident. The Gaels bounced back to defeat Vic High, defending B.C. Champions, and Oak Bay to round out a successful month of basketball.

At the same time the Junior Varsity team was piling up an impressive record. They were undefeated in both December games and won four of six games in January. In this period they lost only to Magee and powerful Lynden Christian High School from Washington.

This year's hockey, hampered by lack of a permanent goalie and of a chance to practice together, nevertheless made a gallant attempt. Two of their games, against South Burnaby and Surrey were very close and the other two were by no means a disgrace. Next year given a decent chance, V.C. hockey should attain the same success as in previous years.

College Boxers Dominate Junior Boxing Scene

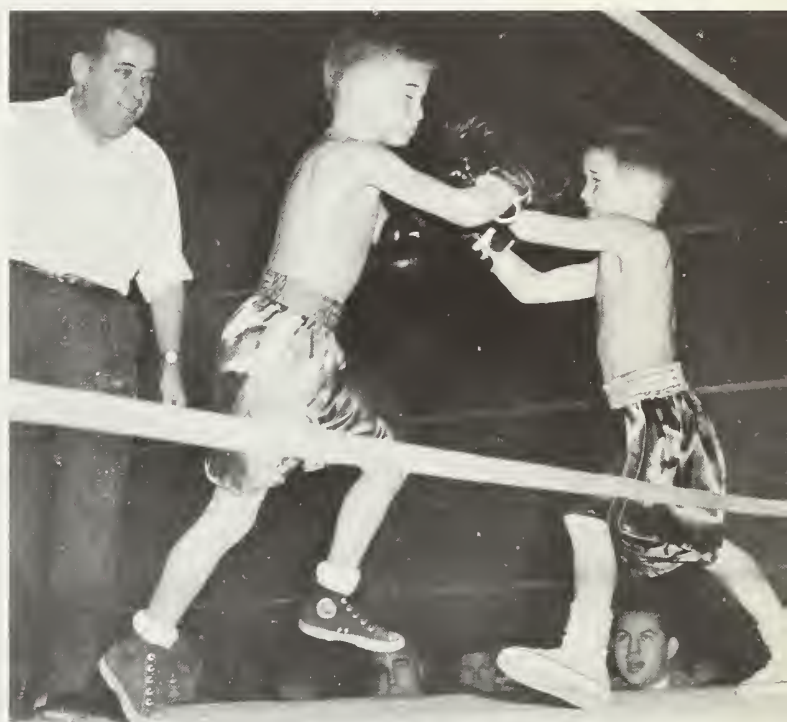

The College's hardhitting "Fighting Irish", coached again by Fred Owens and Archie McDonald with Brother Muldoon as moderator, was top team in the Bronze Gloves and in the Emerald Gloves tournaments for the second straight year. The tenth annual Emerald Gloves was held on January 22 and 23 and was, as always, a tremendous success before a huge crowd. The College fighters won five championships and had six runners-up out of sixteen bouts on the final night. They also won their share of special awards. Whether winning or losing the "College Men" showed sportsmanship throughout the tournaments.

Gaels Show How Future Champs Get Into Shape

FEBRUARY saw the varsity Gaels lose to Lynden Christian at the College gym. This was the first loss suffered at home in two years. The next night College avenged this defeat by soundly defeating Lester Pearson. The Gaels kept the winning spirit taking their next six games and ending the month by trouncing the highly-rated Magee five.

February got off to a bad start as the J.V. team dropped three of their first four games to Lynden Christian, Lester Pearson and O'Dea. However, as the month progressed they picked up steam, defeating King George 45-19, West Vancouver 52-17 and Kerrisdale 57-16. In their last six games they went without a loss winding up the season with a win against a tough Chilliwack team.

COACH LEO MULHERN

Leo has been the coach of the Varsity squad for three years. In his first year as Varsity coach he guided the team to third place position in the province. Last year his team produced the best won-lost record ever for a V.C. team.

Leo is also well-known in local basketball circles playing Senior "A" ball in the city league. He was on the 1949 V.C. team which won the provincial tournament and his great ambition is to win it again as a coach.

Tennis was introduced to the College this year, thanks to Mr. P. Sidone. His expert guidance and an eager turnout of candidates got tennis off to an excellent start as an organized sport in this school. Before school closed for Easter, the team had played three times, not having a great deal of success but introducing the players, most of them novices, to match play.

ALS PROVIDE COMPETITION

This year's intramural basketball league was under the supervision of Brother MacKenzie for the second year. There were seven teams in the grade nine and ten league and five in the league for grades eleven and twelve. Each team played about fifteen games. After a determined struggle for top honours on the part of all, Dan Furlong's team topped the junior league and Mike Beaton's was the senior champion.

As always, intramural bowling was very popular. There were ten teams, each playing fifteen games. The games took place on Wednesday afternoons at Kerrisdale. The Stooges, captained by Derek Kulai were top team.

FINISH STRONG

MARCH saw the Varsity and J.V. teams finish their exhibition seasons with 19-5 and 13-5 won-lost records respectively. Both teams then began preparations in earnest for their upcoming Lower Mainland and Provincial Tournaments. The fans also did their part as pep rallies were held for approaching play-off games.

COLLEGE DOES IT AGAIN PROVINCIAL CHAMPS

The LOWER MAINLAND TOURNAMENT saw the 1960 Gaels come up with their best game as they walloped Notre Dame 82-36. In the next game, the most thrilling of this year, College defeated the Gladstone Gladiators 62-55. Trailing by five points with less than three minutes to go, Coach Mulhern called for a full-court press which resulted in twelve unanswered points for a win and a berth in the Provincial Tournament. It also gave us a shot at the Lower Mainland title. In this final game, against Magee, it was, for the second straight night, necessary to resort to the full-court press. Although the team played a weak offensive game, their tireless defense enabled them to defeat Magee 39-37 and emerge the lower mainland champions.

PROVINCIAL TOURNAMENT action began the following Wednesday against Oak Bay. Victories in this and the next game are credited to a strong defensive effort. In

the opener an underrated Oak Bay team, playing almost errorless offense, almost upset the Irish, but could not beat our defense and lost 38-36. The next night College ended Pentticton's twenty-six game winning streak by holding them to nine points in the second half and eventually beating them 36-28. In the semi-finals against Gladstone Friday night College's offense came alive. They ran up a half-time total of 38 points and went on to win 63-50. On Saturday night the final saw the Fighting Irish battling Prince Rupert, a team that had pulled two major upsets to make it to the finals. College started out red hot to lead 18-12 at the end of the first quarter. From then on the Gaels never looked back as they led 36-24 at the half, 54-38 at the third quarter and went on to win it 69-52 going away. The four-day tournament came to a fine close as co-captains Greg Findlay and Mike Melanson were chosen for the first all-star team.

SIX GREAT YEARS

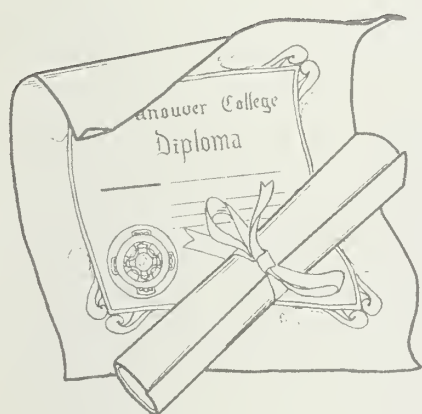

Two seniors discuss their future program with Br. Bates.

To the senior, Brother Bates is the answer to the difficult problem of choosing a career. The fact that he has a degree in Guidance and has had much experience in this field has provided a wonderful opportunity for prospective graduates. Each year has seen an increasing number in the graduating class, a certain proportion of whom have chosen to follow priestly or religious vocation, an evidence of God's blessing on the work being done at Vancouver College.

Each year sees the return of one or more graduates who have recently been ordained. In 1955 Father Paul Foran visited the College to bring a blessing and inspiration to the students and was photographed with Brother Bates, his brother, Don Foran (right) and with Archie McDonald, the president of the Student Council.

WE

GRADUATE . . .

When reminded that this is the last year—the year that **WE GRADUATE**—the seniors' minds slip back through the past twelve years. We remember that first day when we were led into school, those friendly, fuzzy years of grammar school when we thought we had the teacher fooled, that lost first year of high school and then, after the gradually accelerated pace of the next two years, the arrival of the hectic graduating year. Now that we have conquered a fraction of the world we can proudly step out into places of higher learning or even directly into a seminary or the business world. As these pleasant memories are gradually erased by time we hope the following pages will serve as a reminder of many good friends and happy incidents.

Looking at the other person's work seems to be the order of the day for Mike Beaton and Jim Reynolds.

SIX GREAT YEARS

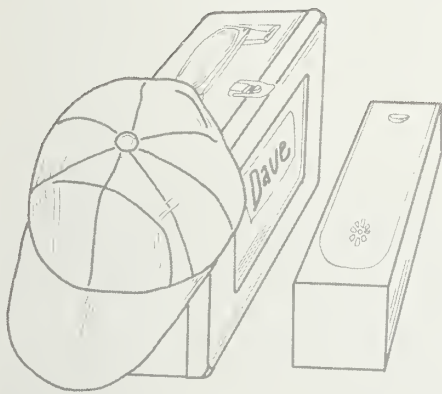

Br. Bates pauses to share jokes with several grammar school students.

A source of never-ending wonder to the outsider is the ability of Brother Bates to address any of his eight-hundred fifty students by name. Every day he can be seen in the lower corridor surrounded by junior members of his rather large "family" carrying on easy conversations . . . a word of encouragement here, a fatherly pat on the head there. Due to the rapid growth of the school Mr. Houston has been called in to share the Grammar School duties and these conversations are now about the only contact Brother has with his younger students.

Mr. Houston, grammar school supervisor and Br. Bates look over the campus.

WE

PREPARE . . .

In our eight years as residents of the bottom floor of Vancouver College **WE PREPARE** to join the ranks of those exalted creatures known as high school students—so huge in size, so mighty in sports, so good in school. We surely hope that when the time comes we will be able to carry on the traditions of the College. In the meantime we strive to prepare ourselves through attention to studies for the tough times ahead. We enjoy a full program of sports and activities, dreaming of the day when we will be able to do all these things as high school students.

JUNIOR LEGION

The Queen of Peace is composed of students in the Grammar School. Since its inception early last year, it has adopted as a mode of Catholic Action the bringing of the Catholic press to the hospitals of Vancouver. Each week the boys go to St. Paul's and St. Vincent's Hospital with a supply of the B.C. Catholic.

Although their work is somewhat limited, they are getting a solid grounding in the important work of the Legion. These are the future Seniors who will one day be active throughout Vancouver assisting the clergy and bringing converts to the faith.

MIDGET BASKETBALL

Midget Basketball at Vancouver College not only helps the boys to become proficient in the sport by learning the fundamentals of the game while they are young but also enables them to mature by physical development, bringing about co-ordination of body and mind, and character development resulting in good sportsmanship and teamwork.

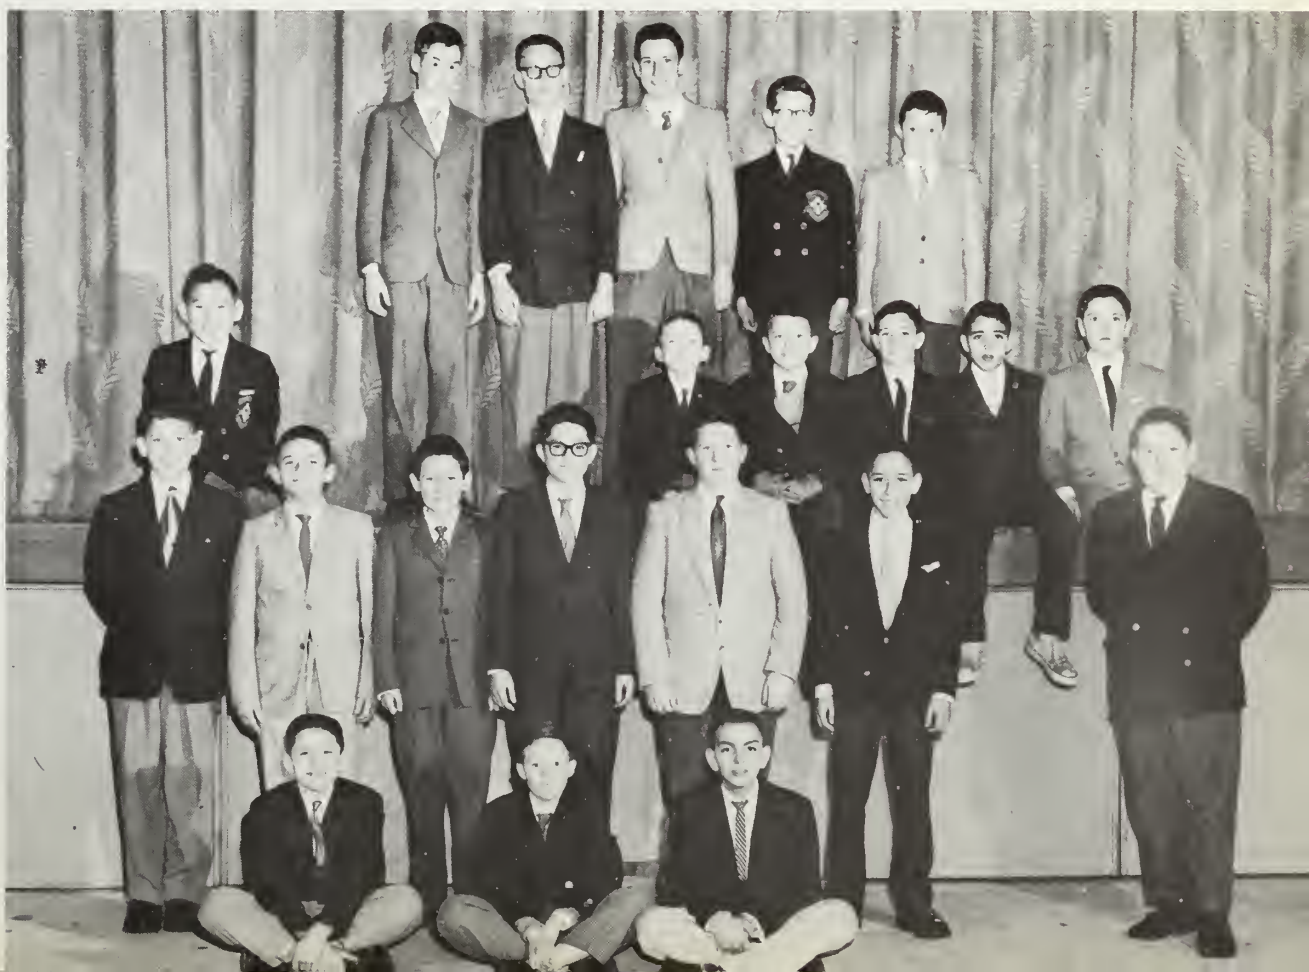

Once again the Midgets have had a very successful year with a record of 12 wins, 2 losses and 1 tie. The team has already won the Lower Mainland Championship and will represent Vancouver in the British Columbia Provincial Championship. In the C.Y.A. League the Midgets have a record of 9 wins and 1 loss. With the season nearing completion College should take top spot in the League.

BIDDY ALL-STARS

The Biddy League of Vancouver College consists of four teams in both Senior and Junior division. The teams are composed of grammar school boys of 12 years and under and are coached by several high school students.

The Biddy All-Stars, picked from this league, and coached by Brother Dornbos, play outside teams. This year they played a number of games in the Midget League, an age division above them. As might be expected, they didn't win them all, but they showed fair basketball potential.

Biddy competition is culminated with the Biddy Championship Night in the College Gym. Parents and students are invited and the players compete for division championships and individual awards.

SIX GREAT YEARS

Br. Bates and Lau Murphy discuss the Emerald Gloves program.

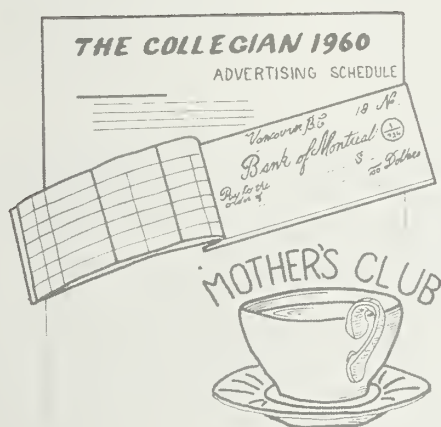

Br. Bates said at the 1960 Graduate Dinner that at his slightest request the school's friends would immediately supply him with his needs. Thus he unknowingly revealed the respect and support he had gained in his six years at V.C. The following section shows the respect of many local merchants for the type of education that Br. Bates has come to symbolize.

Br. Bates has given the 1960 graduates several things we will never lose. Among these the most treasured is his friendship which we hope to retain forever. Many thanks, Br. Bates, from the 1960 grads.

Mrs. B. McCabe, Mrs. J. Ewanus, Mrs. J. Walsh, Mrs. R. Fartin, Mrs. D. Cliffe discuss the Spring Carnival plans with Br. Bates.

OUR

FRIENDS . . .

Since the success of Vancouver College is due to **OUR FRIENDS**, we wish to salute and thank them in this section. The Alumni who co-sponsored the Emerald Gloves and the Mothers' Auxiliary are among these friends.

The Amazing Mothers' Club

Whenever any club or organization needs a hand in planning a dinner or a concert, they feel free to call on the Mothers' Club. In addition to organizing and running the Spring Carnival, they have a rummage sale and a party for the participants in the Emerald Gloves. Each month a Tea is held, where the activities of the Auxiliary are planned. This year the club boasts the largest membership in its long history of service to Vancouver College.

After the Emerald Gloves the Mothers host the contestants.

Mrs. R. Carrathers, Mrs. H. Whittaker, Mrs. G. K. Claridge and Mrs. B. McCabe making preparations for a monthly tea.

A New Club—The Alumni Society

Organized in the spring of 1959, the Vancouver College Alumni has sponsored two important events at the school. In early December, seventeen Grads put on Basketball uniforms and challenged the Varsity. Although it was a close game, the Varsity came through with a win. In late January, the Grads organized the Emerald Gloves, which are covered in another section of this book.

At the smoker held after the Grad basketball game, there were representatives from nearly every class which has graduated in the school's thirty-odd year history.

The Alumni Executive: Barry McNeil '51, treasurer; Jim Durkin, secretary; Lou Murphy '51, president; Bernard Carter '47, vice-president; Br. Mockenzie, moderator.

Bob Pickel '47, Senior A League coach, gives Mike Melanson a few pointers on shooting.

B.C. COAST VEGETABLE CO-OPERATIVE ASSOCIATION

Richmond, B.C.

"**W**hen I was your age, a dollar would buy..."

Born twenty years too late? You might get that impression, listening to your elders reminisce about prices in "the good old days". Clothes, cars or candy bars: according to the legend, everything was better and cheaper in the golden age before you were born. So it may console you to know that at least one important commodity has gone up in value and down in price during your lifetime. That's right – electricity.

Up in value, because right now, electricity is performing tasks that were undreamed of two decades ago. Washing dishes and drying clothes. Bringing you hi-fi music and TV shows. And doing them all automatically.

Down in price, because while the average family served by B.C. Electric now uses more than four times as much electricity as they did in 1940 – they actually pay less per kilowatt hour.

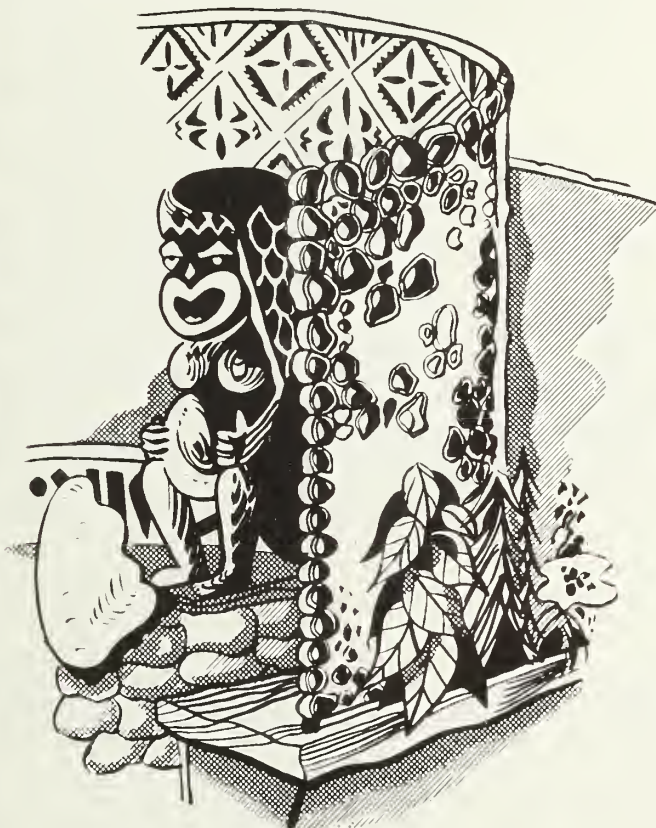

Electricity is probably the biggest bargain you can buy today; will undoubtedly be even more so when you're an old-timer with reminiscences of your own.

Every day all over the country thousands of patriotic Canadians are serving as civilian plane spotters—guarding against a surprise attack from above. This is a vital service to give warning of hostile aircraft trying to sneak through our radar. The men and women who wear the Gold Wings of the Ground Observer Corps are doing a job that calls for twice their number. They need more help—your help for just a few hours a week.

FOOTBALL

Greg Findlay carries ball and opponent for another first down.

The Fighting Irish show defensive skill in a tight game against Lincoln High School.

A decisive victory over Notre Dame gave V.C. possession of the Archbishops' Trophy, presented here to team Captains Macaulay and Beaton.

Sponsored by Dr. O. C. Kirby, Alec Macaulay, and Fred Yehle.

FLASHES

A determined Al Macaulay plows headlong into a wall of apponents.

With the compliments of Patrick M. Reynolds and Percy A. White.

Mike Beaton makes our only touchdown against O'Dea look easy.

LOW PROFILE **DOMINION ROYAL MASTER**

The greatest tire advance in more than 10 years

Low Profile is a new engineering concept introduced to tire construction for the purpose of attaining greater safety, stability and stamina in unlimited service at maximum speed.

LOW PROFILE MEANS:

- Greater Stability ● More Positive Response To Steering
- Low Flexing Action ● Less Heat Build-Up
- Greater Safety On Thruways

Longer Nylon Cord gives 81% greater tire strength.

ACCENT STYLING

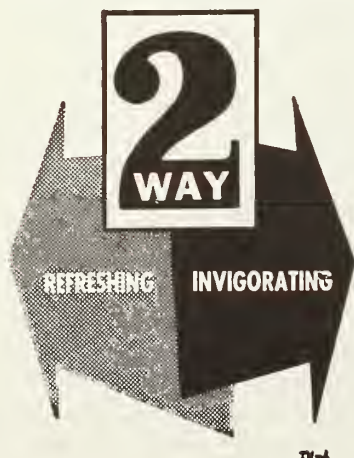

Puts a touch of pride on any car.
The narrow band of white set off in a finely fluted sidewall design gives every car a dynamic "action" look.

ADDITIONAL SAFETY WITH:

X-Tendable Tread with 360° TRACTION TOES that resist skids from every direction and give full traction in all weather.

In one of the best bouts of the 1960 Emerald Gloves, College's Andy Zalut (right) lands a crushing left to the jaw of Rodger Tauchet.

Matt McGarry, College's 50 pound stalwart, is sent reeling to the canvass in this year's Bronze Gloves.

ABOVE: Terry Marshall, a 118-pounder representing V.C. in the Emerald Gloves, seems oblivious to Dick Huber's disgusted expression.

BELOW: Don Riggan, in true College fashion, slashes his way to victory in the Bronze Gloves.

This page has been sponsored by Harold S. and M. J. Foley.

Mike MacKay-Dunn, one of the youngest "Fighting Irish" pugilists, prepares for a right hook.

THE FIFTIES

This is how Vancouver College appeared early in the decade.

A scene from the Diocesan Vocation Exhibit, held at the College in 1956, of which thirty-nine religious congregations were represented.

In his final address to the student body, Brother W. C. Penny, principal of Vancouver College from 1948-54, extends his thanks for their farewell gift to him—a set of luggage.

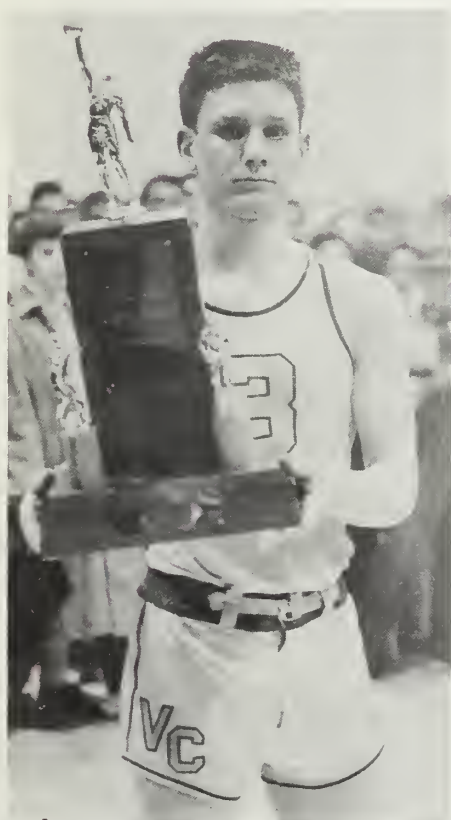

This page has been sponsored by
Mr. W. A. H. Duff.

IN RETROSPECT

As we near the end of the 1960 COLLEGIAN it might be appropriate to make a quick review of some memorable highlights of the last decade — spanning the terms of office of Brother Penny and Brother Bates.

Among the few sad events of the last ten years were the passings of Brothers E. L. Cobb and J. M. Dougherty in 1959. Brother Cobb (above) was a member of the Vancouver College faculty from 1954 to 1957; Brother Dougherty taught at Vancouver College in the thirties.

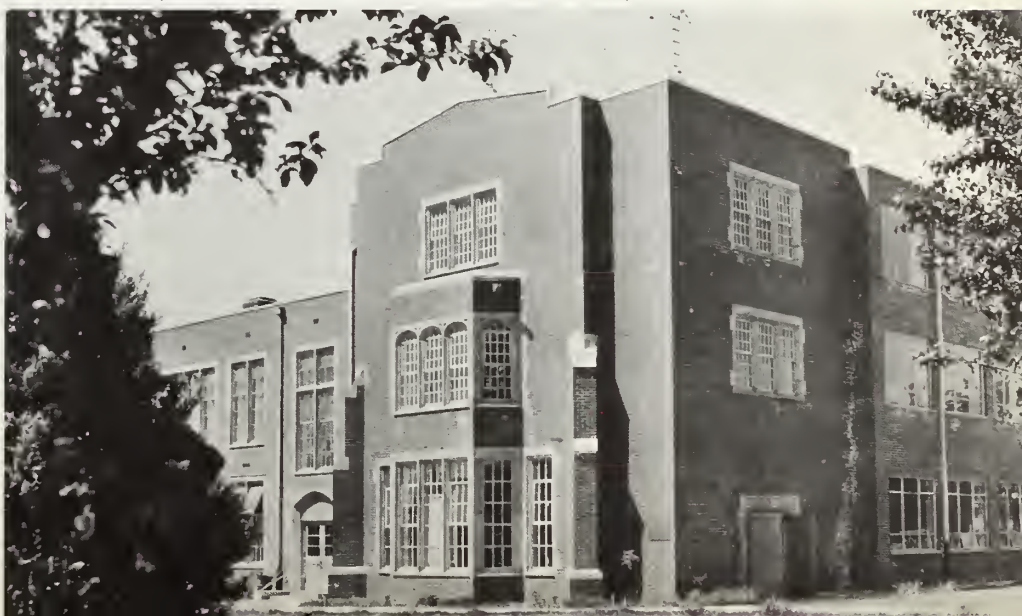

Leo Petty, captain of the "Fighting Irish", proudly displays the trophy representing the championship of the province won by his team in the 1957 B.C. Invitational Basketball Tournament.

In March, 1957, construction of a new addition to the school was started.

Just six months later Mackin Hall, as the building is called, was completed; eight splendid classrooms and a modern cafeteria were provided.

Traditions *that live*

Strong and honourable traditions provide the foundation of firm training in leadership expressed today in the motto of the three Canadian Services Colleges: Truth-Duty-Valour.

Allied to the prestige of the past is a university degree education given by these colleges to the officer-cadets of Canada's armed forces. Carefully selected high school graduates are trained for challenging professional careers as officers in the Navy, Army or Air force, for the responsibility of holding the Queen's Commission.

to serve the **Future**

Through the Regular Officer Training Plan (ROTP) the Department of National Defence will sponsor a limited number of qualified high school graduates to obtain a university degree education, either at the Canadian Services Colleges or at designated Canadian universities. Full details of this sponsored education can be obtained without obligation from your nearest Armed Forces Recruiting Centre, or by mailing this coupon now.

'Closing date for candidates applying for 1960 fall classes is 1 July 1960'.
